Summary of reasons for decision:

The image file depicts an adult version of the character Maggie Simpson dressed in sexually provocative clothing. However, its unrestricted availability is unlikely to be injurious to the public good. While it may be startling to younger viewers they are unlikely to understand the association between the clothing and BDSM sexual activity. Further, breast nudity alone does not warrant a restricted classification. The unrestricted classification given to this image is consistent with the right to freedom of expression contained in the New Zealand Bill of Rights Act 1990.
